

NHS

Get vaccinated. Protect you and your family this winter.

Get your RSV, flu, and COVID-19 vaccinations to help protect against serious illness.

How to get vaccinated:

- **Flu and COVID-19:** If you are eligible, book an appointment through the NHS website or NHS App, at a participating pharmacy, or by contacting your GP surgery.
- **RSV:** If eligible contact your GP surgery, speak to care home staff or your maternity service.

Get protected this winter.
